# **Occupation Guide**

## BRITISH FRIEN:)LY

It feels good to be covered

## **Occupation Guide**

At British Friendly, we aim to offer Income Protection to as many people as we can, however, there are some occupations which we are unable to cover. Where we can provide cover, we offer this up to age 70, on all available deferred periods and we cover your client for the job they do. If you select age-costed premiums, the price for all occupations is the same.

#### **Key Contact for Underwriting**

We are pretty flexible in our approach to business miles. If your client drives for a living, please get in touch with our Underwriting Team to discuss the potential underwriting outcome.

You can also get in touch with our Underwriting Team for pre-sales enquiries or to ask about those occupations we've marked as 'individial consideration'. Call us on **01234 348 007** or e-mail **presale@britishfriendly.com**.

#### **Key Contact for Sales**

You can get in touch with our Sales Team on 01234 348 007 or e-mail sales@britishfriendly.com.

## **Contents**

This guide provides a comprehensive list outlining the occupations we can and cannot accept and those we refer for individual consideration. We've designed this guide to help you during your presales enquiries and to help you find the right cover for your clients.
