What is Cash in your Pocket?

At British Friendly, we're more than just Income Protection. We offer additional benefits, whether you claim or not, through our discretionary Mutual Benefits programme. Cash in your Pocket is one of our Mutual Benefits available to both new and existing members at no extra cost. It's our way of saying thank you and rewarding you for being a British Friendly member.

Cash in your Pocket is an annual programme of cash draws, with 5 winners randomly selected to win £100 each every month. The money you win can be used for anything whether that's to offset the cost of your policy premiums, to cover some of your monthly expenses, to buy something you've been saving up for or to treat yourself or your family to a special meal or day out.

How it works?

- Our annual programme of cash draws is conducted on a monthly basis between the 14th of February and the 13th of February the following year.
- You will be automatically entered every month if you are up-to-date on your premium payments by 5pm the day before the draw. You can opt out of the draws by contacting the Mutual Benefits Team on mutualbenefits@britishfriendly.com or 01234 358 344 Monday to Friday between 9am and 5pm.
- 5 random winners are selected at random, by an independent third party, to win £100 each. No personal information is shared with the third party.
- Winners are contacted within 14 days of the draw.
- Cash prizes are paid directly into your bank account.
- There's no limit to the number of times you can win.
