

# Your Guide To Registering With Us

Thank you for your interest in British Friendly. It's easy to register with us to gain access to our award-winning Income Protection products and benefits.

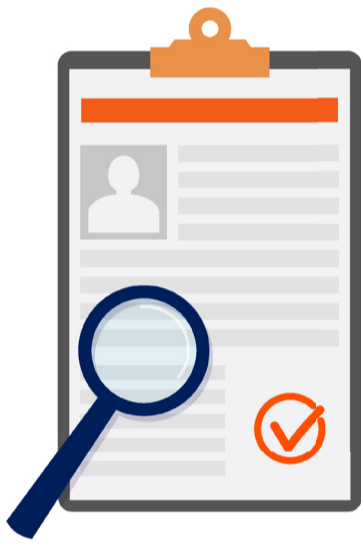

To register to become a British Friendly Intermediary, simply email [sales@britishfriendly.com](mailto:sales@britishfriendly.com) with the following details:

- Company Name
- Company FCA number
- Network Name (if applicable)
- Network FCA Number (if applicable)
- Your Full Name
- Your Telephone Number
- Your Email Address

## Individual Financial Advisers/Intermediaries

If your company is already registered with British Friendly, we'll aim to get your login details emailed over to you **within two working days**.

## Firms Who Are Appointed Representatives

If your company is not yet registered with British Friendly we will need to conduct due diligence checks. Once all checks are successfully completed we will email your login details over to you. We aim to do this **within seven working days**.

We are currently only offering non-indemnity commission to new firms who are appointed representatives.

## Firms Who Are Directly Authorised

If your company is directly authorised and not yet registered with British Friendly, we will need you to return a completed Terms of Business application form with a photocopy of a company director's passport or driving license along with a copy of a personal utility bill from the last three months.

Once received, we will need to conduct due diligence checks. When all checks are successfully completed we will email your login details to you. We aim to do this **within 14 working days**.

## Next Steps

Once we've received these details you'll soon be able to offer our award-winning Income Protection cover to your clients.

Please note we are currently only offering non-indemnity commission to new intermediary firms.
