

# Who are British Friendly?

- We're an Income Protection provider specialising in flexible, affordable cover
- Founded in 1902, we have over a century of experience so you can feel safe that you are in good hands
- We are a mutual with no shareholders so we exist solely for the benefit of our members
- Because of our mutually inclusive cover, we welcome higher risk occupations – the people who we believe need Income Protection the most
- We've paid 96% of our claims in the last 14 years
